SOME IMPORTANT CHANGES

Here's hoping you have bred a few winners for this year's shows. There have been some changes voted in over the last year:

First change being the more relaxed approach to the show cage floor covering, with increased costs and irregular supply of some products, you now have a choice of products which are all acceptable - Tierwhol/Chipsi, Gold Chip Original or Soft Chip.

Second change, the word foul has been removed from the classes. Self-birds now have their own classes. Any bird that is more than 50% variegated will now go in the heavily variegated classes. As always there will be borderline cases (lighter feather under the beak for example) but I can assure you our top line up of judges will always use common sense in these cases.

The Fife Canary Council have also introduced a 6-bird nomination competition for all take part in as an extra bit of interest for exhibitors with £50 prize for both Champion and Novice. Don't forget to nominate the 6 birds on your entry form (cannot be changed later) (first 6 Entries will qualify for nominations prize if you have not marked your choice) Details of points to be awarded (in line with the Fife Canary Council Fancier of the Year competition) are as follows:

Class win 5 points - Colour specials win 10 points - Best in section Champion/Novice 15 points

Wishing you all well and looking forward to seeing you at our show.
